ACFS UPDATE
AUGUST 2026

ACFS PORT LOGISTICS VOLUNTARY ADMINISTRATION:
WHAT THIS MEANS

We have been informed that a voluntary administrator has been appointed to oversee the operations of ACFS Port Logistics. We understand the company is continuing to operate as usual and your job remains unaffected at this time.

The TWU is experienced at working with administrators to ensure workers interests are prioritised while a review of the business operations occurs.

We understand this is a concerning and uncertain time. But rest assured, we will continue to provide updates as soon as more information comes to light.

WHAT IS VOLUNTARY ADMINISTRATION?

Voluntary administration is designed to resolve a company's future direction quickly. The administrator will assess whether the company can keep operating, be restructured, or find another way forward.

Administrators take control of the operations while they conduct this assessment.

The TWU is best placed to represent workers and provide important updates. Make sure your membership details are up-to-date. If you're not yet a member, join now.
