HAVE YOUR SAY & ENDORSE THE CLAIM

Your TWU negotiating committee has developed a Log of Claims based on the priorities raised by dnata workers. Now is your chance to have your say.

This claim is about restoring secure aviation jobs by lifting standards across the industry and stopping companies from winning work by driving down pay and conditions.

YOUR LOG OF CLAIMS

- ✓ **A wage increase** that takes into account the cost of living and position of the company in the market
- ✓ **Increased notice** for company initiated shift change
- ✓ **Payments where payroll errors aren't corrected** in a timely manner
- ✓ **Ability to cash out large sick leave balances**
- ✓ **Definition of work to include anything related to work**, for example meeting attendance
- ✓ **EA with a 30 June 2029 expiry**
- ✓ **Ensuring vacancies are filled within 1 month**
- ✓ **Reclassification after performance of higher duties** for 3 months
- ✓ **Automatic approval of annual leave** within 14 days
- ✓ **Retention of all accruals & transition to correct classification** when employee moves to base plus penalties
