

24-HOUR ACTION AT FEDEX CONFIRMED FOR THURSDAY

CONGRATS ON A SECOND NO VOTE

Despite the huge resources FedEx poured into trying to convince you to vote up the same dodgy agreement, the company confirmed this morning that we achieved a **successful no vote**.

YOUR UNITY AND PRESSURE IS WORKING

FedEx is scrambling to try to push through this agreement that doesn't address your claims.

We're ready to go back to negotiations—and we're calling FedEx urgently back to the table. Your member-led team has endorsed 24-hour stoppages to keep the pressure on and push FedEx to a fair agreement.

US MANAGEMENT IN TOWN

This week US FedEx management will be in Australia ahead of the NFL, which the company is spending big bucks on. Let's send a strong message that workers are united for a fair agreement.

WE'RE FIGHTING AGAINST:

1 Below-inflation
pay offer

2 No protections against
AI & automation

3 Outsourcing
threats
