

TWU NOTIFY ACTION: 48 HOUR STOPPAGE

THURSDAY 10TH SEPTEMBER

- On Thursday, TWU Members at K&S Chemtrans Victoria will **stop work for 48 hours**.
- We are sending management a clear message: they must work with us to deliver on job security, fair pay increases and address remaining claims.
- While the protected strike is occurring, we will be holding meetings to discuss next steps - meeting details will be provided over coming days.
- This is a historic action for TWU retail members who will be taking action together for the first time. It's time for K&S to sit down with us and settle a fair agreement that closes the gap.

WE'RE FIGHTING FOR:

- | | | |
|--|---|--|
| 1 A fair pay offer
that closes the gap between you and transport workers at other companies | 2 Consolidated agreements
to lift everyone up together | 3 Job security, Future of work
and union provisions |

**our roads,
our skies,
our future**

You're not alone. You'll be taking action as thousands of TWU members at other transport companies like FedEx, Qube, PFD and more take a stand to improve their rights at work.

Together, we can lift standards for all and stop the race to the bottom.
