

PREPARE TO TAKE ACTION

While we have supported our K&S members across the country to take action, more members are ready to join the fight, and have been pledging action around the country **to push for a fair offer from management.**

The TWU has lodged **another five Protected Action Ballots (PABs)** across multiple sites, giving these members the opportunity to **join the fight and vote on taking protected industrial action** if K&S continues refusing to negotiate a fair deal in each of their EA's.

WE'RE FIGHTING FOR

**Future of
work
protections**

**Consolidated
agreements**

**Job
security**

**Stronger
consultation
obligations**

**A pay
increase to
Close the Gap**

WHEN YOUR BALLOT ARRIVES, VOTE 'YES'

A strong 'YES' vote tells K&S that workers are united and prepared to fight for an agreement that provides:

- A fair pay increase
- A powerful voice for workers
- Job security into the future

THIS GOES FURTHER THAN K&S

This isn't just about K&S. Across road transport and aviation, more than 220 Enterprise Agreements are expiring as transport workers join together to lift standards across the industry.

We have been trying to reach a fair agreement in each of the EA's but now K&S has a choice: continue down the low road, or work with its employees to deliver secure jobs, fair pay and a sustainable future.

You won't be alone. K&S workers across the country are already taking strike action to Close the Gap.

When one group of K&S workers fights, others stand with them. Together, we can force K&S to lift its offer and reach agreements that workers deserve.

BEING A TWU MEMBER ENSURES ANY ACTION YOU TAKE IS LEGALLY PROTECTED.

- ➔ If you're not a member, you cannot participate in protected action. Join today at twu.com.au/join
- ➔ K&S cannot ignore us if we stand together. Ask your workmates to join the TWU to be part of the fight!
- ➔ Get ready to **vote YES in the Protected Action Ballot.**

The stronger our union, the stronger our negotiating power. Together, we can win a fair agreement at K&S that will help lift standards across the entire industry.

TOGETHER, WE ARE STRONGER.
