

DON'T LET K&S DIVIDE US: WE ALL DESERVE THE SAME

K&S workers across Australia are doing the same work.

But in many cases, other K&S workers have significantly better conditions than the rest of the company for the same job.

SOME K&S WORKERS CURRENTLY HAVE:

- ✓ **15% Superannuation**
- ✓ **Up to 45 days delegate leave**
- ✓ **Union rights**
 - Paid union meetings.
 - TWU inductions for new workers.
 - Labour hire inductions.
 - Healthy Minds leave.
 - Strong union delegate provisions.
- ✓ **Job security:** Full utilisation clause.
- ✓ **Stronger consultation obligations**

BUT WHAT HAS K&S OFFERED IN NEGOTIATIONS?

- ✗ **Pay increases** that close the gap
- ✗ **CPI protections** for pay increases
- ✗ **Better super**
- ✗ **Job security improvements**
- ✗ **Blue Card Training**
- ✗ **Future of work protections**
- ✗ **Stronger consultation rights**
- ✗ **Stronger dispute procedures**
- ✗ **Campaign delegate leave**
- ✗ **Women's Advocate clauses**
- ✗ **Mental health and training claims**
- ✗ **Cultural and religious leave claims**
- ✗ **Enhanced leave claims**

SAME COMPANY. SAME LOGO.

So why should one group of K&S workers get more while others miss out?

We're fighting to bring every K&S agreement up to the standard workers have already won elsewhere in the K&S group. **The only way we achieve that is by standing together and being prepared to take action.**
