

MORE WORKERS ARE UNITING TO CLOSE THE GAP

Qube workers are standing together like never before for better pay, stronger conditions and secure jobs.

✓ Workers in VIC and QLD have rejected unfair agreements.

✓ Victorian workers took 24-hour strike action this month to build pressure on Qube.

That same day, thousands of transport workers took action nationwide to close the gap, lift standards and hold companies to account.

MORE QUBE SITES JOIN THE FIGHT

Workers in Moranbah and Moura in North Queensland are now lodging a Protected Action Ballot.

Like workers in West Melbourne and the Port of Brisbane: They're fighting Qube's refusal to meet industry standards, leaving workers thousands of \$\$\$ worse off each year.

With every new site that joins, pressure on Qube to close the gap keeps building.

QUBE INVITED BACK TO BARGAINING

- ▶ The TWU has invited Qube back to the negotiating table across all sites.
- ▶ Qube will be given every opportunity to resolve key claims and reach a fair deal.
- ▶ Be ready for further action if Qube refuses to move.
