- On Thursday, TWU Members at Qube will **stop work for 24 hours**.
- We are sending management a clear message: they must work with us to deliver on job security, fair pay increases and address remaining claims.
- While the protected strike is occurring, we will be holding meetings to discuss next steps - meeting details will be provided over coming days.
- This is a historic action for TWU retail members who will be taking action together for the first time. It's time for Qube to sit down with us and settle a fair agreement that closes the gap.

QUBE NEEDS TO DO BETTER.

Your member-led bargaining committee will be back at the negotiating table to take all steps to settle outstanding issues:

1 2029 agreement expiry**3 Stronger rights and conditions****2 Wage offer that closes the gap****4 Job security for existing workers**
