ARMAGUARD UPDATE
OCTOBER 2026

HUGE YES RESULT ON PROTECTED ACTION

Armaguard TWU members have **stood up** with overwhelming support to take protected industrial action.

The message to Armaguard is clear. **The delay on a fair agreement is not good enough** and workers will stand together and are prepared to take action for a fair pay rise and decent conditions.

It's well past time for Armaguard workers to receive the pay and conditions you deserve.

IT'S TIME FOR A FAIR DEAL AT ARMAGUARD

Workers have waited long enough and can't wait any longer.

More delays, uncertainty and the failure of banks and Armaguard to reach a deal is not fair on workers in a cost-of-living crisis. Armaguard needs to come back with a fair offer if they want to avoid action.
