

IF IT'S REASONABLE FOR FEDEX AND LINFOX, IT SHOULD BE REASONABLE FOR BEX

BEX workers are being told that our claims are unreasonable. But the people leading these negotiations know better.

BEX LEADERSHIP SHOULD KNOW BETTER

Border Express management now includes a former FedEx industrial relations head, and a CEO who built his career in major unionised transport companies including Linfox.

They know that transport workers can have:

- Better wages
- Stronger superannuation
- Better job security
- Stronger delegate rights
- Better workplace protections

If these are reasonable asks at FedEx and Linfox, why aren't they at Border Express?

IT'S TIME FOR A FAIR DEAL FOR BEX WORKERS

BEX workers just want the same respect, the same protections and the same opportunities that workers across the industry are already achieving.

The new leadership at BEX has a choice: continue resisting workers' claims or deliver an agreement that recognises the contribution BEX workers make every day.
