TWU Carrying Australia

QGS UPDATE
OCTOBER 2026

TIME TO VOTE NO

DEMAND BETTER FROM QANTAS!

A huge congrats to TWU members who took 24-hour strike action yesterday. Now's the chance to put even more pressure on Qantas by VOTING NO to their dodgy deal.

By voting no together, you're sending a clear message to Qantas that workers won't accept being left behind while the company posts billion-dollar profits.

⚠ VOTE NO TO QANTAS' SUBPAR OFFER:

1. **Outdated classifications** that fail to recognise the work you perform.
2. **Unfair wage rates -** falling thousands of dollars short of industry standards (that Qantas already pays for labour hire workers doing your jobs).
3. **Poor job security -** Inadequate protections against labour hire and insecure work.
4. **Part-time minimum hours** well below industry standards.
5. **No meaningful movement** on worker voice, delegate & union rights.
6. **No pathway** to 15% superannuation contributions
7. **Partial/insufficient backpay** that undervalues the work you're doing.
8. **Lengthy 5-year agreement** that takes QGS out of bargaining alignment with rest of the industry.

BRING QANTAS BACK TO THE NEGOTIATING TABLE BY VOTING NO TOGETHER.

QGS workers will not settle for anything less than an agreement that delivers:

1. JOB SECURITY
2. FAIR PAY INCREASES
2. DECENT WORKING CONDITIONS

We've waited long enough. Qantas can afford better. Workers deserve better. Vote NO.

TOGETHER, WE ARE STRONGER.
