VIRGIN PIT CREW UPDATE
NOVEMBER 2026

NEGOTIATIONS BREAKTHROUGH: YOUR PRESSURE IS WORKING!

Virgin is feeling the pressure from your Protected Action Ballot (PAB). At the Fair Work Commission PAB Conciliation Conference today, Virgin agreed to several important improvements. These are key claims that members have been pushing for.

WHAT VIRGIN HAS NOW AGREED TO

1. **Fortnightly overtime payments:** All overtime to be paid fortnightly, with system changes to make this happen.
2. **Higher duties:** Virgin will stop removing higher duties within 24 hours. We'll still keep pushing for a 7-day block out.
3. **Safer workloads:** Virgin has agreed to the TWU's position of a cap of 14 movements on any shift longer than 9 hours when rosters are published.
4. **Another negotiating meeting:** Virgin will meet the TWU negotiating team next Monday where we will aim to finalise the Enterprise Agreement and endorsement.

KEEP THE PRESSURE ON!

These are significant steps forward, but they are not yet locked in. They remain subject to finalising the agreement and endorsement. We need Virgin to make further movement on pay next week, and you can help make that happen.

More information on the full report of claim progress to come this week.

If you haven't voted in the PAB, make sure you have your say.

Every vote counts. Keep the pressure on and help win the agreement members deserve!
